Dear Mr. Houlin Zhao:

Please be advised by this letter that the **Iridium Communications Inc model (HVIN) " 9770 "** and **marketing name " Iridium Certus TM 9770 Transceiver"** with the certification number: **4629A-9770**, has been certified by Innovation, Science and Economic Development Canada in accordance with the provisions of RSS 170, "Radio Standards Specification for Satellite Mobile Earth Stations".

This standard (RSS-170) includes specifications for electromagnetic compatibility, electromagnetic interference and RF radiation exposure and the elements of Recommendation ITU-R M.1343 on "Essential Technical Requirements of Mobile Earth Stations for Global Non-Geostationary Mobile Satellite Service Systems in the Bands 1-3 GHz".

We want to take this opportunity to thank you for your continuing support with the implementation of these GMPCS arrangements.

Yours sincerely,

Nicolas DesMarais
