

EVERYWHERE

## Blackberry Setup Instructions

1. Connect your Iridium AxxessPoint to your Iridium satellite phone with the provided USB cable.
2. Turn on both devices in an open, outdoor area and wait for all three lights on the Iridium AxxessPoint to turn green.
3. Go to Blackberry menu.
4. Select Manage Connections.
5. Select Wi-Fi network.
6. Press next and scan for networks.
7. Select PHS300IC-xxxx and save this connection.
8. Once BlackBerry WiFi logo is white, you are connected. This will take up to 2 minutes.

### Only one communications company connects the entire globe

Iridium commands the world's furthest reaching network, making it the only truly global communications company with solutions that span from pole-to-pole. Iridium voice and data products provide superior communications solutions that allow global companies, government agencies and individuals to stay connected everywhere. With a unique, global ecosystem of partners, Iridium continues to create new, high-value capabilities that are leading the world into a new era of communication.
